

## License for the IT's About What - Process Mining Roadmap

**IT's About What, LLC ("Licensor")** is committed to helping organizations improve their ability to execute and minimize the communication issues that cause 75% of enterprise IT project failures. To advance that goal, Licensor has compiled a whitepaper entitled "Enterprise IT & the Lost Language of Execution" that describes a framework for understanding business execution. Licensor has also compiled a step-by-step instruction guide for implementing that framework when deploying technology to automate or report on the execution of a business process. This step-by-step guide is entitled the "Process Mining Roadmap"; it is hereinafter referred to as the "Checklist". Licensor wishes to grant You certain rights to use the Checklist under the terms and conditions set forth below. By downloading the Checklist You accept and agree to be bound by the terms and conditions of this license agreement ("License"). To the extent this License may be interpreted as a contract, You are granted the Licensed Rights (defined below) in consideration of Your acceptance of these terms and conditions, and the Licensor grants You such rights in consideration of benefits the Licensor receives from making the Checklist available under these terms and conditions.

### 1. Scope of License:

**License grant.** Subject to the terms and conditions of this License, the Licensor hereby grants You a perpetual, worldwide, royalty-free, irrevocable, non-exclusive, non-transferable, non-sublicensable license to: **(A)** Use the Checklist, in whole or in part, for Your personal use or the use of any organization where You are employed or volunteer—provided You use the Checklist for Non-Commercial purposes only. Other than receiving compensation from Your employer, You may not, at any time, charge other individuals or organizations (where you are not an employee or volunteer) a fee or accept any other form of compensation to train, implement or consult with them on the deployment or use of the Checklist. You may not sell, lease or sub-license our Checklists, or package or incorporate our Checklist into any other software or intellectual property. **(B)** Modify and enhance the Checklist to better address Your or Your organizations requirements (hereinafter "Modifications"), provided You notify the Licensor of any such Modifications and deliver a copy of those Modifications to Licensor within thirty (30) days of Your completion of those Modifications so that Licensor may, at Licensor's sole and exclusive discretion, review Your Modifications and, if Licensor deems it appropriate, incorporate those Modifications into future versions of the Checklist so that others may benefit from such improvements; and You agree to assign and do hereby assign to Licensor any and all rights to such Modifications which You might acquire or claim as derivative works (Adapted Material) in and to the Checklist with the provision and understanding that Licensor hereby grants to You all of the License rights to use Your Modifications that were originally granted to You to use the Checklist under this Section 1. **(C)** Produce and reproduce, but not Share, the Checklist, Your Modifications and Adapted Material—provided You continue to use the Checklist and Your Modifications strictly in accordance with the Non-Commercial and other provisions of this License. **(D)** Exceptions and Limitations. For the avoidance of doubt, where Exceptions and Limitations apply to Your use, this License does not apply, and You do not need to comply with its terms and conditions. **(E)** Term. The term of this License is specified in Section 4. **(F)** Media and formats; technical modifications allowed. The Licensor authorizes You to exercise the Licensed Rights in all media and formats whether now known or hereafter created, and to make technical modifications necessary to do so. The Licensor waives and/or agrees not to assert any right or authority to forbid You from making technical modifications necessary to exercise the Licensed Rights, including technical modifications necessary to circumvent Effective Technological Measures. For purposes of this License, simply making modifications authorized by this Section 1.1.F never produces Adapted Material. **(G)** No endorsement. Nothing in this License constitutes or may be construed as permission to assert or imply that You are, or that Your use of the Checklist is, connected with, or sponsored, endorsed, or granted official status by, the Licensor or others designated to receive attribution as provided in Section 2.1.A.

**Other rights.** Moral rights, such as the right of integrity, are not licensed under this License, nor are publicity, privacy, and/or other similar personality rights; however, to the extent possible, the Licensor waives and/or agrees not to assert any such rights held by the Licensor to the limited extent necessary to allow You to exercise the Licensed Rights, but not otherwise. Patent and trademark rights are not licensed under this License. To the extent possible, the Licensor waives any right to collect any royalties or payments from You for the exercise of the Licensed Rights, whether directly or through a collecting society under any voluntary or waivable statutory or compulsory licensing scheme. In all other cases the Licensor expressly reserves any right to collect such royalties and payments, including when the Checklist is used for anything other than Non-Commercial purposes.

2. **License Conditions.** Your exercise of the Licensed Rights is expressly made subject to the following conditions.

**Attribution.** If You reproduce the Checklist in any form, You must retain the following: (i) Identification of the creator(s) of the Checklist and any others designated to receive attribution, in any reasonable manner requested by the Licensor; (ii) A copyright notice; (iii) A notice that refers to this License; (iv) A notice that refers to the disclaimer of warranties; (v) A URL or hyperlink to the Checklist to the extent reasonably practicable; (vi) Indicate if You modified the Checklist and retain an indication of any previous Modifications; and (vii) Indicate that the Checklist is licensed under this License, and include the text of, or the URL or hyperlink to, this License. For the avoidance of doubt, You do not have permission under this License to Share the Checklist, Your Modifications or any Adapted Material. You may satisfy the conditions in this Section in any reasonable manner based on the medium, means, and context in which You reproduce the Checklist. For example, it may be reasonable to satisfy the conditions by providing a URL or hyperlink to a resource that includes the required information. Send your changes and usage to [checklist@itsaboutwhat.com](mailto:checklist@itsaboutwhat.com)

3. **Disclaimer of Warranties and Limitation of Liability.**

**Unless otherwise separately undertaken by the Licensor, to the extent possible, the Licensor offers the checklist as-is and as-available and makes no representations or warranties of any kind concerning the Checklist, whether express, implied, statutory, or other. This includes, without limitation, warranties of title, merchantability, fitness for a particular purpose, non-infringement, absence of latent or other defects, accuracy, or the presence or absence of errors, whether or not known or discoverable. To the extent possible, in no event will the Licensor be liable to You on any legal theory (including, without limitation, negligence) or otherwise for any direct, special, indirect, incidental, consequential, punitive, exemplary, or other losses, costs, expenses, or damages arising out of this License or use of the Checklist, even if the Licensor has been advised of the possibility of such losses, costs, expenses, or damages.** The disclaimer of warranties and limitation of liability provided above shall be interpreted in a manner that, to the extent possible, most closely approximates an absolute disclaimer and waiver of all liability.

4. **Term and Termination.**

This License applies for the term of the Copyright and Similar Rights licensed herein. However, if You fail to comply with this License, then Your rights under this License terminate automatically and immediately. For the avoidance of doubt, this Section does not affect any right the Licensor may have to seek remedies for Your violations of this License. At the Licensor's sole and exclusive discretion Licensor may offer the Checklist under separate terms or conditions or stop distributing the Checklist at any time; however, doing so will not terminate this License. Sections 2, 3, 4, 5 and 6 will survive termination of this License.

5. **Other Terms and Conditions.**

The Licensor shall not be bound by any additional or different terms or conditions communicated by You unless expressly agreed to in writing by both parties. Any arrangements, understandings, or agreements regarding the Checklist not stated herein are separate from and independent of the terms and conditions of this License.

6. **General Provisions.**

For the avoidance of doubt, this License does not, and shall not be interpreted to, reduce, limit, restrict, or impose conditions on any use of the Checklist that could lawfully be made without permission under this License. To the extent possible, if any provision of this License is deemed unenforceable, it shall be automatically reformed to the minimum extent necessary to make it enforceable. If the provision cannot be reformed, it shall be severed from this License without affecting the enforceability of the remaining terms and conditions. No term or condition of this License will be waived and no failure to comply consented to unless expressly agreed to by the Licensor in writing. You may not assign this License to another party. The Licensor may freely assign this License provided the rights granted to You pursuant to this License are preserved and continue uninterrupted. Nothing in this License constitutes or may be interpreted as a limitation upon, or waiver of, any privileges and immunities that apply to the Licensor, including from the legal processes of any jurisdiction or authority. This License shall be governed by and interpreted in accordance with the laws of the State of California.
